
Good Food & Handcrafted Ales

S*NOWSHOE BREWING CO.* was founded in early 1995 with a mission to brew great beer and create a diverse menu of good food that would appeal to every family member. Thousands of satisfied customers have proven to us that we have indeed created the ales and the menu that people enjoy.

Our brewer has created award-winning ale styles that have ale lovers throughout central California and the Sierra asking for a Snowshoe at their favorite pub, restaurant or ski area.

We hope you appreciate our Snowshoe hospitality and choose to return many times.

The Snowshoe Family

Snowshoe Brews

Please enjoy our hand-crafted ales, always remembering to drink respectfully & responsibly.

Snoweizen

60% wheat malt gives this ale its smooth citrus finish & easy drinkability.

Apricot Wheat

A light, refreshing wheat ale with the aroma & subtle taste of fresh apricots.

Thompson Pale Ale

A classic California pale. Cascade & Perle hops give this ale its clean, crisp finish.

India Pale Ale

Four different hops give this ale a unique flavor.

Grizzly Brown Ale

A local favorite. We blend six different malts to create its unique, smooth-roasted flavor.
